Closed Hearing Set in Sex Case

Judge Howard J. Taylor has set for 1 p. m. Friday a closed hearing in Civil District Court on Ashton David Majeau's suit to have his sex listing changed on his birth certificate.

Majeau, who will be 28 on Nov. 8, filed suit against the city to force the change.

His suit said in psychiatric treatment he was diagnosed as trans-sexual, and on Feb. 15, 1968, he was operated on for sex reassignment in the University of Minnesota hospital.

The motion for a closed hearing was made by Majeau's lawyer.
